# **Workplace Violence Prevention**

---

As business continues to attempt to grasp and respond to the threat of workplace violence and, particularly, the threat of an active killer, this presentation will provide key points and methods to assist the businesses in addressing those concerns and create/update Workplace Violence Prevention Programs/Policy, as well as provide their employees with the basic concepts of Situational Awareness.

**Bruce Felton**  
**Lieutenant**  
**Solon Police Department**

Bruce has been a member of the Solon Police Department since 1990, and a Kent State University Police Officer for three years prior to that. I am currently an administrative Lieutenant having served as a trainer, shift supervisor, training director, fleet manager, evidence room manager, and PIO for the department. I have been an OCPA member since 2011 and active in the Law Enforcement Torch Run since 2001.
