

Security Risk Assessment

APRIL 4-5, 2024 9:00 AM TO 4:30 PM

FIFTH THIRD CENTER, 38 FOUNTAIN SQUARE, CINCINNATI, OHIO 45202

FIFTH THIRD BANK

The Cincinnati Chapter of ASIS International and Ohio Crime Prevention Association host: Security Risk Assessment Training!

Join professionals from local law enforcement, private security, CPTED practitioners, School Resource Officers, threat assessment consultants, crime prevention officers, and federal law enforcement to discuss the many strategies for security assessments. Topics will include the stakeholder interview, CPTED overview, security checklist, understanding of risk, security in layers, guidelines and & standards, and specific client needs.

The second day will include a team-based practical exercise including a stakeholder interview, security assessment of 5/3 Center, and a group presentation.

Finally, every attendee receives a copy of the book *The Science and Art of Security Risk Assessment* by Dr. Glen Kitteringham, M.Sc, CPP, and a one-year membership with the Ohio Crime Prevention Association.

Cost: \$325.00

Registration: <https://www.ocpa-oh.org/training>
