The Annual Ohio Crime Prevention Association Conference

Dear Prospective Conference Partner,

OCPA is one of the nation's oldest and largest community-based policing associations and our mission is to support local law enforcement to create safer communities through promotion of crime prevention awareness and education. To achieve our mission, we need support and invite your organization to partner with us for the annual OCPA Training Conference April 21-25, 2024.

Your contribution assists with securing quality trainers and providing resources for attendees. Participating gives your organization access to over 300 crime prevention practitioners from across the State of Ohio, as well as first-time conference attendees and allows you to showcase your products and services. Your sponsorship will be promoted in the conference program and featured on OCPA social media which is followed by many Ohio law enforcement agencies and other organizations. The OCPA is a 501 © 3 non-profit organization.

Please refer to the sponsorship levels and pricing for more details and please contact us if you have any questions. Please visit the OCPA website at www.ocpa-oh.org.

Sincerely,

Bruce Felton
